- WELCOME TO - Whitehorse Showtime 2022

Welcome to the 58th Season of Whitehorse Showtime, 'Knight at the Museum'.

2022 is a special year for Whitehorse Showtime. To start with, it's our first show back on stage after a two year forced hiatus. Secondly, we're back at the Box Hill Town Hall, the same venue that our very first show was performed at back in 1965.

I am incredibly proud of our cast that have worked so hard over the last few months, but also of our volunteers that have spent countless hours supporting them.

Whether they are part of the Management Team, Rehearsal Team, a Head of Department or have come to help us bump in. Every volunteer that contributes to our show is important and valued, so a big thank you to everyone that has contributed to getting the 2022 show on stage.

Lastly, thank you to you our audience, for supporting Performing Arts, Scouts and Guides, Whitehorse Showtime and more specifically the cast you see on stage. We are so excited to have an audience again and the cast can't wait to show you what they can do. Enjoy!

Producer - Kieran Van Geyzel

Directing Whitehorse Showtime and getting to know our cast is one of the single most rewarding and joy filled jobs anyone can find in the volunteer spaces. 2022 has been a year of excitement, anticipation and joy for us and the cast. We have revelled in being back together again, rehearsing, growing and performing.

But 2022 is not just about the cast and team of this year. We took over as Directors at the end of 2019, and heading into 2020 we had an amazing Rehearsal Team, and group of APL's and PL's who were excited and eager to build a year of performing arts that would bring joy to the cast.

However, it wasn't to be and within a week our team pivoted and created an online program which they delivered, whilst also rehearsing the 2020 show, online. They persevered until February 2021 when our chance to film the show fell through due to a snap lock down.

They were not to be deterred, and neither were our cast, who came back in 2021.

With determination and eagerness they turned up and kept working hard. Again we pivoted to online rehearsals and unfortunately we couldn't make it to the stage because of restrictions.

The cast you see on stage tonight, and the team behind the show, are the single most determined and positive group of young (and older!) humans we have ever encountered. They bring us so much joy and pride, each week at rehearsals.

As they step on the stage for the performance you see today we are brimming with pride for each and every one of them. We want to thank the Rehearsal Teams and Casts of 2020, 2021 and 2022, as well as the volunteer teams who tirelessly give their energy and time to provide such a positive learning opportunity for our cast. Thank you also goes to those who support us in everything we do, our families and friends and the broader community that support Showtime.

Our cast deserve every standing ovation, every cheer, every round of applause you give them today. They are everything that Scouting and Guiding embodies; they are talented, hardworking, and the best group of humans you could ever have up on a stage to entertain you.

About the Show

Starting out in 1965, Rod Savage OAM organised the very first Whitehorse Showtime which was performed at the Box Hill Town Hall.

With over 50 consecutive seasons, Whitehorse Showtime continues to provide quality performing arts training to Scouting and Guiding youth. We pride ourselves on giving everyone a go and encourage every member to do their best.

"When all is said and done, we've had a lot of fun, that nobody can ever take away."

The Scarf and Badge

With the inception of Whitehorse Showtime in 1965, it was decided that the team should have a scarf of its own. The colour was similar to the one used on the badge from the 7th Australian Jamboree held at Dandenong in 1964/65.

Team members from the first show were asked to submit designs, and the one finally selected came from Ric Butler of 16th Box Hill Senior Scouts. It incorporates the White Horse, traditionally connected with Box Hill through the old White Horse Inn, and a pair of Theatre trumpets to complete the theme. Additional artwork was done by Richard Godden who prepared the final drawings.
