# WELCOME

Hi,

This is our first year in the Show, shyly following in the footsteps of our older sisters and brothers. The rehearsals were a lot of hard work, but with the help of the "oldies" and the ever patient Production Team, it all came together and we've enjoyed every minute of it.

There are as many people behind the scenes as there are on stage and with the fabulous teamwork that is Whitehorse Showtime, we proudly present to you this year's production.

Bye for now,  
Lisa and Shane.

# THE PRODUCER'S LAMENT

Hi,  
As you sit back and watch tonight's performance,  
think about these small facts:

Over 150 people were involved in getting our  
show on stage; with over 5000 man (and woman)  
hours of effort.

This is truly a magnificent team effort – one  
which I am extremely proud to be part of.

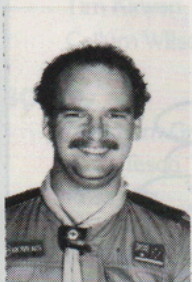

The production and technical teams have worked  
very hard since last October co-ordinating the  
items for this year's show. In addition much of  
the groundwork has already been laid for the  
show next year. However, it is not the production  
team nor those involved in the many backstage  
departments which really make our show, it is  
the CAST – and I believe our cast to be the most  
dynamic group of young people to be found  
anywhere.

So sit back, relax and enjoy their performance  
of Whitehorse Showtime 1986.

Doug Wright

# THE MUSIC MAKERS

In the orchestra pit playing for us tonight are a number of musicians all from varied backgrounds and associations with the Scouting and Guiding movement. Some have been playing with the Show for many years, some for only a few. The most important thing, however, is that they all gain a great deal of satisfaction working with the cast in the pursuit of the best possible performance by the cast.

Some of our Band are also members of our own East Suburban Area Scout Band under the leadership of Rod Savage. This band is an important part of our Area as they play at a number of important functions, which include the Queen's Scout Presentations at Government House, Good Service Award at Gilwell Park and other appearances and activities.

If you play a musical instrument and would like to be involved, contact Rod Savage on 8484235.

# SCOUTING AROUND BOX HILL

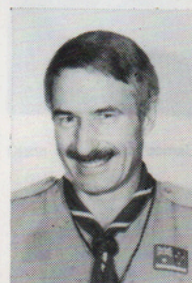

The aim of the Scout Movement world-wide is to encourage the physical, mental, social and spiritual development of young people. I believe Whitehorse Showtime does that very thing, perhaps in a different way.

The commitment of those who are involved with the Show is heavy as our policy is that youth who wish to be part of the Show Team must be active members of a regular Scout or Guide Group. Thus the commitment of time to the Show is additional to normal activities, but those who wear the lilac scarf are proud to be part of a team, both on and off stage, who put the Show together.

Whitehorse Showtime is a part of the total Scouting scene in Box Hill, which regularly (i.e. weekly) involves over 600 youth and over 100 adult volunteer leaders.

Perhaps we do not have the public exposure of yester-year, but there continues to be proof that "Scouts" do take a more constructive place in society as responsible citizens.

Mike Law  
District Commissioner

## GUIDING IN BOX HILL

1986, fifty five years since a handful of adventurous girls formed the first Guide Unit here and the Box Hill Division (Box Hill, Bennettswood, Surrey Hills and Wattle Park) now caters week by week to over 300 girls from the ages of 7 to 18 years.

The Brownies, Guides and Rangers meet weekly in Guide Halls throughout the City. Their programme revolves around the Promise and Law and covers the areas of service, outdoor activities, the arts, health and first aid and homecrafts.

All units attend Pack holidays or camp regularly and these events are usually the highlight of the year. The girls join with others each year on a district or division

basis for such activities as Field Days, Church Parades, Brownie Revels or other celebrations.

Leaders and girls are supported by the Local Associations who are parent bodies formed to raise funds, maintain halls and properties and be a support in any other way that is necessary.

Although there are waiting lists for some units, new girls are always welcome as are adult leaders.

## THANK YOU

...from an "old timer" for coming to our show and for being such a wonderful audience.

We hope that you have enjoyed the show as much as we did bringing it to you. The sense of achievement and the fun has been well worth the weeks of hard work. Now it's time to take off the make up and leave our little world of make believe until next year.

Lisa and Shane, now "oldies" too and I will be back again next year. Will you join us on stage or come to see us?

Thanks and goodnight,  
Beverley.

# WHITEHORSE SHOWTIME

WHITEHORSE SHOWTIME is a variety type show with a lot of bright singing, dancing and funny sketches which has been put together and will be performed by the Scouts and Guides of Box Hill.

Ranging in age from 11 to a bit older, these young people have worked for months to prepare a show which they are proud to perform to you and which, they feel sure, you will greatly enjoy.

All proceeds from the performances will be used to help Guiding and Scouting to further develop the skills and talents of the young people of Box Hill.

WHITEHORSE SHOWTIME will be performed in the Phoenix Theatre, Burwood Teacher's College, Burwood Highway, Burwood on Monday 18th August, Tuesday 19th August, Thursday 21st August, Friday 21st August and Saturday 22nd August.

Ticket prices are the cheapest of any of these type of shows around Melbourne so book early.

By the way - Tuesday 19th August and Thursday 21st August are designated Children's Nights which means that they both start at 7.00p.m. and the show ends early enough for you to bring along your young children.

SEE YOU AT WHITEHORSE SHOWTIME FOR A GREAT EVENING OF ENTERTAINMENT.
