

*Written by Prince**Performed by The Bangles***VERSE 1 - DREAMER**

1. Six o'clock already
2. I was just in the middle of a dream
3. I was kissin' Valentino
4. By a crystal blue Italian stream
5. But I can't be late
6. 'Cause then I guess I just won't get paid
7. These are the days
8. When you wish your bed was already made

**CHORUS - ALL**

9. It's just another manic Monday (oh woah)
10. I wish it was Sunday (oh woah)
11. 'Cause that's my fun day (oh woah)
12. My "I don't have to run" day (oh)
13. It's just another manic Monday

**VERSE 2 - TRAVELLER**

14. Have to catch an early train
15. Got to be to work by nine
16. And if I had an aeroplane
17. I still couldn't make it on time

**OVERSLEEPERS**

18. 'Cause it takes me so long just to figure out
19. What I'm gonna wear
20. Blame it on the train
21. But the boss is already there

**CHORUS - ALL**

22. It's just another manic Monday (oh woah)
23. I wish it was Sunday (oh woah)
24. 'Cause that's my fun day (oh woah)
25. My "I don't have to run" day (oh)
26. It's just another manic Monday

**BRIDGE - ALL**

27. Of All of my nights
28. Why did my friend have to pick last night
29. To get down?
30. Doesn't it matter
31. That I have to feed the both of us
32. Employment's down
33. He tells me in his dreamy voice
34. "C'mon buddy, let's go make some noise"
35. Time it goes so fast (When you're having fun)

**CHORUS - ALL**
